

Nantucket Skating Club

2017-2018 Membership

Welcome!

The Nantucket Skating Club (NSC) Board of Directors would like to take this opportunity to welcome new and returning members to the 2017-2018 skating season. We are all looking forward to an exciting and enjoyable year with you and your family. Our skating year calendar will be released in early September at the beginning of the school year for your reference.

Please take the time to read through this packet's contents to familiarize yourself and your skater with our policies, procedures and guidelines. This packet is reviewed and re-evaluated each year to assure the relevance and effectiveness of the sessions and the opportunity for the skaters to have a positive skating experience.

Our club is a non-profit entity which is based on participation and volunteerism. To make the Nantucket Skating Club successful we need our members to participate in not only our club activities, but also in our fundraising efforts. Skating on Nantucket is costly due to ice time and general equipment as well as travel. Our club is continually working towards its mission of providing affordable skating experiences for all its members. We rely on those members and their families to participate in our fundraising efforts which result in benefits for all skaters.

This year we will be continuing with the volunteer requirements where all members contribute a certain number of hours of volunteerism per family to our fundraising and events. We see this as an opportunity to not only raise funds, but also to bring our skating community together. Volunteering together builds bonds, both for our young and experienced skaters. Be assured that participation in the activities will be easy, fun and ultimately rewarding.

For additional information and updates on club activities throughout the year, please see our weekly newsletter, visit our website www.nantucketskatingclub.com or find us on our Facebook page.

Once again, the Nantucket Skating Club Board of Directors welcomes you to the 2017-2018 Skating Season. We wish you a very positive and successful skating year and look forward to many fun filled activities. Your dedication and hard work on and off the ice will continue to make NSC an amazing organization.

Yours Sincerely,

Nantucket Skating Club Board of Directors

Skating Club Q&A

- **What is US Figure Skating?** US Figure Skating is the official governing body for the sport of figure skating in the United States, recognized by both the United States Olympic Committee (USOC) and the International Skating Union (ISU). As the governing body, US Figure Skating's mission is to provide programs to encourage participation and achievement in the sport of figure skating. As the governing body it regulates and governs the sport in the United States, creates rules for the holding of tests, competitions and other activities, and organizes and sponsors competitions.
- **What are the benefits to joining US Figure Skating?** By joining U.S. Figure Skating through a club, such as Nantucket Skating Club, members have the ability to do the following: 1) Test at U.S. Figure Skating-sponsored test sessions 2) Compete at U.S. Figure Skating-sanctioned events 3) Participate in U.S. Figure Skating qualifying events 4) Represent your club at regional, sectional and national events. Members also receive the following benefits: 1) Certificates of accomplishment for passing proficiency tests and placing at U.S. Figure Skating qualifying events (athletes) 2) Subscription to SKATING magazine 3) Individually numbered membership card 4) Coverage under U.S. Figure Skating's sports accident insurance policy and 5) Special offers and discounts from U.S. Figure Skating corporate partners.
- **What does "home club" membership signify, versus being an associate member?** Your "home club" is the club which registered you with US Figure Skating. You may join other clubs as an "associate" member. If club sponsored events, such as test sessions, are oversubscribed, home club members would have higher priority.
- **I was a member of another club in the past, but I don't know my US Figure Skating number. Do I need a new number?** We can research your prior membership to obtain your old number using your name at the time you were active and your birth date.
- **When does my membership expire?** US Figure Skating membership ends on July 1st. Nantucket Skating Club membership ends on May31st.
- **How do I get a permission letter to participate in a competition, test session or ice show sponsored by another club?** Permission letters can be requested from any club officer. You or your coach should contact the applicable test chair (singles/pairs or dance) to inquire if a test permission letter is needed.
- **I just joined the club and have not received my membership number. Can I still participate in US Figure Skating test sessions or competitions?** Your permission letter can still be signed, just put "number applied for" on the application.

Skaters Code of Conduct

The following is a copy of the Nantucket Skating Club Code of Conduct and Disciplinary Procedures. Each skater and parent, if skater is a minor, are required to review, discuss and accept this Code of Conduct and indicate that they have read and understand their responsibilities by signing the attached membership agreement.

Nantucket Skating Club members are expected to act in a manner that represents the members, fellow skaters, the club, and community in a positive manner. This NSC policy is also in effect when the Club is represented at out of town activities. Please exhibit a model of behavior that will provide a good example to the community and to the public and encourage pride in our Club.

General

- Skaters are expected to display proper respect and sportsmanship and a positive attitude towards their competitors, fellow skaters, coaches, officials, parents and the public.
- Respect others' personal space on the ice and follow all safety rules.
- Respect public property and property of others.
- Use appropriate language.
- Dress appropriately while representing NSC.
- Refrain from the consumption, distribution, and possession of any amount of alcoholic beverages, tobacco products, or controlled substances when under the legal age limit.

Skaters and/or parents who observe unsafe, rude, or inconsiderate behavior or any other violation of the Code of Conduct should report the incident in writing to any NSC Board member within 24 hours.

Ice Etiquette & OFS Code of Conduct

We must all learn to be more aware, cautious and considerate of other skaters. Remember you are not out there alone and each person needs to be responsible for everyone else's safety.

Please read the attached NSC and Nantucket Ice approved Open Freestyle Guidelines. Each skater and parent must read and sign these guidelines. If your skater is a first time member of NSC, you must go through guidelines with your coach and have them sign off on your Guidelines form. No first time membership forms will be accepted without a coach's sign off on OFS Guideline training.

Open Freestyle Code of Conduct

Revised 4.26.16

Before Entering Ice Surface

- All skaters must sign in and present payment before getting on the ice (if paying by OFS card, be sure the card is current. If you are not sure, please check with a Nantucket Ice staff member)
- Locker rooms assigned for an OFS session are for the purpose of changing clothes and storage of OFS skaters' belongings in a secure place. The locker room is not to be used for visiting, playing, eating or any other reason.
- The locker rooms assigned are available 15 minutes before OFS and 15 minutes after. Please remove all personal items after use and leave clean and neat.
- Do not enter ice surface until the Zamboni doors are closed after resurfacing. As soon as Zamboni doors are open at end of OFS, promptly leave the ice surface
- Skaters must be able to skate and practice independently or be approved for participation by Nantucket Ice approved coaches

Personal Code of Conduct

- Be attentive to and respectful of all Nantucket Ice approved coaches and their directions
- Be attentive to and respectful of all Nantucket Ice staff/volunteers and their directions
- Consumption of food/snack/beverages on ice or near boards is prohibited- the only exception is unbreakable water bottles. Keep all personal items such as tissue boxes, notebooks, music, apparel clear of ice surface and/or access areas and remove after each session
- No sitting on or climbing over the boards
- No foul language, yelling, fighting or criticism of fellow skaters is allowed at any time. Any conflict must be brought to a rink employee immediately. Skaters are not to deal with these conflicts on the ice

On ice etiquette

- Figure Skates only-Allowed on the ice at OFS
- If you fall, get up as soon as you are able- Do not intentionally sit or lie down on the ice
- If an injury occurs
 - Ask the nearest skater to alert an adult and if needed a rink employee
 - No one is to move or pick up an injured skater
- Keep Moving – At no time should a skater stop in the middle of the ice to talk or visit with fellow skaters. If you need to converse with another skater please move next to the boards or off the ice
- Look where you are going at all times –Skaters are responsible for looking in the direction they are skating, forwards or backwards, and being aware of other skaters
- Spin in the center-Jump in the corners- Jumping is usually done near the ends of the rink so spins should be practiced near the center of the rink. This also allows the long sides of the rink to be used as corridors for gaining speed during jumping patterns. Skaters must also be aware of the high speed jumping which is done in the 'Lutz Corners' and must not stand around in those areas. Be considerate of others trying to practice their spins and jumps, and select an appropriate area for each element.
- Be patient and kind with less experienced skaters – OFS ice is for figure skaters **of all levels** to practice their technique. Be kind to those who may not be as fast or technically advanced as you are
- Keep your eyes open for priority skaters- When a skater is in a lesson and/or practicing their program to music, they have priority or right of way. It is common etiquette to make an extra effort to stay out of the priority skaters' way. Try to move to another area if they come your way and extend them the courtesy you would want from them in return. The following right-of-way order is established to insure safety for all skaters on the ice.
 - 1st priority- Skater in a lesson with their music playing
 - 2nd priority – Skater in a lesson
 - 3rd priority – Skater who has their music playing
 - 4th priority – Skater who is in a spin

Nantucket Skating Club

2017-2018 Membership

- Each skater is allowed to play their music up to 4 times in a 50 minute OFS session (if a session is crowded, it is not guaranteed you will be able to play your music 4 times)
 - A notebook will be kept with the music device
 - If you wish to play your music, sign your name in the book
 - When skating to music, a skater must wear the brightly colored sash to delineate them from other skaters
 - Music will be played in the order of names signed in. Each skater on OFS must be given a chance to have music played before a skater may play their music more than once.
 - If you miss your turn, you must go to the back of the line
 - Coaches with a skater in a lesson are the only ones allowed to “interrupt” the music line so their lesson may flow appropriately
- No more than 3 skaters may practice a routine together at any given time unless they are working on a choreographed quartet program
- No horseplay on the ice (throwing ice, snow or any other objects, chasing/tag, kicking the ice, yelling, pushing, etc.)
- No use of headphone/earbuds on the ice

Music Device Usage

Due to rapid advances technology, the device used for music at OFS is constantly changing. We will also use the best available device that we are able. Currently we use a Nantucket Skating Club iPhone linked to the Nantucket Ice PA system. Below are the current rules of use. If this changes you will be alerted by NSC or Nantucket Ice.

NSC Device Usage

- Respect the NSC device you are using. It is not yours to mistreat or misuse. Be careful when holding or plugging in or out. If broken, this will affect all skaters and we may not be able to replace right away
- If you have new music, email to nantucketskatingclub@comcast.net. Each Sunday the iPhone music will be updated and the iPhone returned to the rink on Monday for use.
- You may ask a fellow skater to begin your music for you when it is your turn to skate. Do not ask a coach to start your music unless you are in a current lesson. Coaches are on OFS ice to teach a skater and not to be a music monitor
- Pandora is loaded onto the iPhone for use at slow OFS sessions or if no skaters wish to play their own music. There are currently a few select stations chosen and loaded on. NO ONE is to add stations or change the setup of this app in any way. *Because this is a free, public application, there may at times be inappropriate language in songs. If you hear this, please promptly choose the thumbs down on that song and a new song will play*
- Other than playing the music loaded on or Pandora, there is NO OTHER FUNCTION of this device you should be using. No one is allowed to download apps or alter the settings of the device in any way. If you are found to have used this device for any function other than music, you will be reprimanded and potentially not allowed to use the device again.

Personal Device Usage

- If you choose to plug your own device into the Nantucket Ice PA system, you may do so at your own risk. Damage caused by power surges or any other manner are not the responsibility of Nantucket Ice
- Be cautious when unplugging other devices and plugging in yours. The equipment is delicate and breakage will cause many skaters and organizations to be effected.

Common Sense and Respect Clause

- Not every situation you encounter may be covered by the rules and code of conduct here. Please remember to use common sense when making decisions.
- When you respect others you will also earn respect for yourself. Be mindful of this with your actions and interactions with all skaters, coaches and Nantucket Ice personnel

Volunteer Form 2017/2018

It takes time and talent to be a successful figure skater. In turn, it takes time and talent to support a figure skating club. Membership in Nantucket Skating Club requires commitment from both the skater and the supporting family to help organize and operate your club.

Please find below the Volunteer Requirements for this fiscal year June 1, 2017 – May 31, 2018

Volunteer Requirements

- Volunteer hours are defined as time spent during or in the planning of an event or fundraiser held by the Nantucket Skating Club. Providing baked goods or other merchandise for sale are not considered volunteer hours (certain exceptions may apply for extenuating circumstances, please see the club president for details)
- 10 volunteer hours *per family* are to be contributed per fiscal year (June 1- May 31)
- A minimum of 2 volunteer hours are required during the Spring Show weekend
- To report volunteer hours, you must sign in at each event. Any hours not signed in for will not be counted. Do not leave event without logging your hours.
- Members may "buy out" volunteer time for \$350 annually. Unfulfilled hours may result in non-renewal of membership and/or be billed out to you at \$35 per hour.
- All Membership categories are applicable to the volunteer hours except the collegiate & professional memberships
- Fundraising for team expenses (Synchro or TOI) is in addition to the 10 required Club Volunteer hours
- Hours spent fundraising for incentive raffles do not count towards your 10 volunteer hours as this fundraising benefits the skater directly
- Skaters who seek community service hours for school (or who just want to give back to the club) may volunteer for certain positions. These hours would not count toward the required family volunteer hours.

Volunteering is a great way to stay involved with our club and learn more about figure skating. It is also gives the skaters the opportunity to work together with fellow skaters and build the bonds of friendship. Please consider donating more than the required number of hours. The more volunteers we have, the more opportunities we can offer our skaters!

Please speak to each event coordinator, listed in the weekly newsletter, for volunteer opportunities.

I have read and understand my volunteer requirements
