

Nantucket Ice Policies

These are the safety procedures the rink is instituting for a safe return to the ice

- ❖ There will be no loitering inside the rink prior to or following your class, lesson, OFS, etc. The rink will only admit skaters 15 minutes before they are scheduled to take the ice.
- ❖ You may only enter the building through the front doors and exit through the back door in the back stairwell, to the right of Siam to Go. Please obey all directional signs.
- ❖ Everyone must sign the Covid Contact Tracing book at the Skate Rental window each time you enter the building.
- ❖ Check the lobby monitor for your “Dressing Area” assignment and use only that area, locker rooms remain closed. There is to be no running around or visiting with other skaters.
- ❖ All skaters should be fully dressed prior to arrival at the rink. Only skates & gloves should be put on once inside the arena.
- ❖ Only one parent or guardian per skater will be allowed in the rink to help the skater finish getting ready to take the ice. If that parent/guardian is staying to watch, he/she must proceed directly to the bleachers and sit in the designated spectator section. No one is allowed to watch standing up against the glass.
- ❖ All skaters, coaches and parents must wear a mask or face covering when not on the ice.
- ❖ All players must have their own water bottle, no one is permitted to share bottles.
- ❖ Every player and parent must exit the rink immediately after their session. The warming area will not be open, and no one is permitted to stay longer than their own session, class, etc.
- ❖ Siam to Go is open for pick-up, you need to call them and pick-up at window outside the front door to the rink.
